

INSTRUCTIONS TO BIDDERS

Plan holders must register before they can view or purchase the bid package. After registering at the City's website as a plan holder, a free CD will be mailed to the registered plan holder within 3 days. Potential bidders can purchase a hard copy of the bid package from East Bay Blue Print at (510) 261-2990 or at Peninsula Digital at (650) 967-1966. The approximate cost for a full size set of plans and specifications are about \$500, and a half size set of plans and specifications is \$200. Partial drawings or specifications can also be purchased. The downloaded electronic files or the electronic CD can be used to print full or half size drawings, specifications, Geotech reports and other documents at any printing company.

Potential bidders, sub-bidders, and suppliers are responsible for reviewing the complete bidding documents and for collecting all addenda prior to placing a bid. Addenda and revisions will not be forwarded automatically. All bidders shall register at the City's website as a plan holder to receive updates and addenda and to view the bidding documents and the plan holders list. Potential bidders are advised to check the City's website periodically and prior to submitting their bid.

Improvements shall be in accordance to plans and specifications prepared by HydroScience Engineers, Inc. The work shall include, but not be limited to, demolition, subsurface site liquefaction remediation with stone columns, site grading, paving, fencing, modification of existing facilities, installation of electrical and control systems, concrete facilities, grit removal facilities, wastewater screening facilities, immersed membrane bioreactor (MBR) system, pumps, blowers, aeration diffusers, valves, piping, odor control, pump stations, solids handling facilities, septage receiving facilities, cranes, chemical feed facilities, operations building, dissolved air flotation equipment, HVAC systems, and all miscellaneous Work as required for a complete and operational DWSI -Phase I facility.

After clicking on the link to download the plans and specifications, click on the project name, and then click on the documents to download. This will prompt you to register as a plan holder. After you register, you can view the plans and specifications in PDF format and can download or view these documents.
